Why WVU Online?

As a premier R1 research institution with a land-grant mission to make world-class education accessible to all, WVU delivers online programs developed by the University's colleges that bring our powerful academic reputation directly to you. We combine the prestige of a state leader in education with the flexibility your life demands so that no matter where you are in your journey, we have a path that aligns with your goals.

Same University, Same Diploma: Learn from the same expert faculty who teach your on-campus peers.

Built for Your Busy Life: Flexible online coursework helps you balance school with work, family, and life.

Affordable Tuition: We offer competitive tuition rates with no out-of-state fees for many programs.

Choose Your Path

With over 80 online programs across every academic level, we offer associate, bachelor's, master's, and doctoral degrees, as well as professional certificates. From AACSB-accredited business programs to nationally ranked nursing degrees, we provide options for every career interest with part-time and full-time study tracks.

Flexible Degree Completion: Finish What You Started

WVU helps you maximize your past efforts to build an even better future. We offer specialized pathways designed to turn your previous college credits and professional experience into a respected degree. Dedicated advisors will work with you one-on-one to evaluate your history and identify the right plan of study.

- Bachelor of Integrated Studies, B.I.S.** Finish your degree without starting over through one of our fastest, most flexible paths to graduation.
- Regents Bachelor of Arts, R.B.A.** As an adult learner, you can earn college credit for professional work history, specialized training, or military service.
- Multidisciplinary Studies, B.MdS.** Build your own degree by combining 3 minors that reflect your professional goals and aspirations.

The Mountaineer Advantage

- 210,000+ Alumni Strong:** Join WVU's global network of Mountaineers and forge lifelong connections.
- Military-Friendly Pricing:** We are proud to match the Department of Defense rate of \$250 per credit hour for online undergraduate programs. Reduced rates are also available for some graduate programs.
- HLC Accredited:** Your degree is backed by the Higher Learning Commission, ensuring the highest academic standards.
